

MEMBERSHIP MATTERS!

Part of the credit union philosophy is people helping people, which is why we offer a Membership Matters program for those members with less than perfect credit.

We are committed to building lifelong relationships one member at a time. Let us show you your potential savings by financing your loan with us.

Membership Matters is available on consumer loans to VCCU members who have been in good standing for 12 months. Certain restrictions may apply.

Rates, terms and conditions are subject to change and vary based on creditworthiness, qualifications, and collateral conditions. All loans subject to approval. Insured by NCUA.
