With online **Bill Pay**, available through NetBranch, you'll experience a faster, more convenient way to pay your bills. You can quickly make payments to anyone and set-up recurring payments too. Just enter your payees. It's that easy.

Transfer funds directly from your account and know when all your payments will clear (you set the payment dates). With online Bill Pay you have all your payment records in one place and you can easily download payment information to your personal accounting software.

**Account 2 Account** transfer, also known as **A2A** transfer, is a feature within NetBranch that allows you to transfer funds in and out of your credit union account via an ACH transaction. You can transfer money in and out of your credit union account into another account that you have at another financial institution.

The **Popmoney**® personal payment service lets you send money to friends, family or almost anyone. All you need is their name and email address or mobile telephone number to move money from your account to theirs. You and your contact never need to exchange financial account information.

Sending and receiving money via Popmoney is easy, fast, and secure. Use Popmoney to: send money to your child at college; send a gift; pay back a friend; pay your baby sitter; or pay rent. Users can receive money in their eligible account online at their financial institution (if it's a member of the Popmoney network), or at Popmoney.com.
