CREDIT SENSE

You can improve your credit score.
VCCU's Credit Sense can help you get started

- Take control of your credit score and report
  Understand your credit, what influences it, and how to improve it with personalized tips on how to make the right financial choices

- Check for credit bureau errors

- Monitor your credit with important alerts
  Prevent identity theft through free credit monitoring. Watch for things like new accounts being opened, changes in address or any suspicious activity

- Find savings opportunities
  Increasing your credit score can help you qualify for lower interest rates and save you money. The better your score, the better the rates!
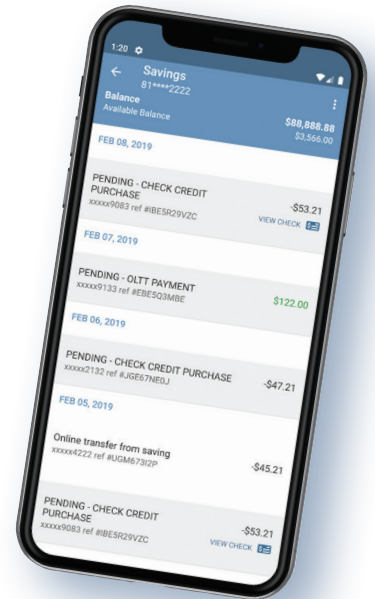

It's easy to get started. Just log in to your Netbranch account and sign up for Credit Sense today!
