The Elan Rewards Program is subject to change. Rewards are earned on eligible net purchases. Net purchases are purchases minus credits and returns. Not all transactions are eligible to earn rewards, such as Advances, Balance Transfers and Convenience Checks. Upon approval, see your Cardmember Agreement for details. You may not redeem rewards, and you will immediately lose all of your rewards, if your Account is closed to future transactions (including, but not limited to, due to Program misuse, failure to pay, bankruptcy, or death).

¹Everyday Rewards+ Card: You will earn 1 Point for every \$1 in eligible net purchases charged to your Account during each billing cycle. In addition, you will earn Points for the following: You will earn 3 Points for every \$1 in eligible net purchases during each billing cycle at merchants classified as a restaurant, fast-food restaurant or bar. You will earn 1 Point for every \$1 in eligible net purchases during each billing cycle at merchants classified as a gas station, electric vehicle charging station, grocery store, supermarket or qualifying streaming subscription service. Refer to program rules for official list of qualifying streaming services merchants. Purchases at or delivery from discount/retail stores that sell groceries may not qualify for the grocery store or grocery delivery category. Purchases qualify for Points based on how merchants choose to classify their business and we reserve the right to determine which purchases qualify. Points expire five years from the end of the quarter in which they are earned.

² If you're approved for a new Everyday Rewards+ Card, a one-time 15,000 bonus points will be awarded after eligible net purchases totaling \$500 or more are made to your account within 90 days from account opening. Please allow 1-2 statement billing cycles for your bonus Points to appear on your credit card statement.

³ Reward points can be redeemed as a cash deposit to a checking or savings account with this Financial Institution only, which will be deposited within seven business days, or as a statement credit to your credit card account, which will be deposited within one to two billing cycles or as a Rewards Card (\$25 minimum redemption).

⁴Max Cash Preferred Card: Cardmember must initially enroll into categories of their choice, or all net purchases will earn no more than 1% cash back. Categories are subject to change. You will earn 5% cash back on your first \$2,000 in combined net purchases each calendar quarter in your two chosen 5% categories and unlimited cash back in your 2% category. All other net purchases earn 1% cash back. Transactions qualify for 5% or 2% cash back based on how merchants classify the transaction. Upon approval, full details will be provided in your Cardmember Agreement. Cash rewards can be redeemed as a deposit to a checking or savings account with this Financial Institution only, which will be deposited within seven business days, or as a statement credit to your credit card account, which will be deposited within one to two billing cycles or as a Rewards Card (\$25 minimum redemption). Cash rewards do not expire as long as the account remains active. If there is no reward, purchase, or balance activity on your account for 12 statement cycles, your cash rewards balance will expire.

⁵ If you're approved for a new Max Cash Preferred Card, a one-time \$150 bonus will be awarded for redemption after eligible net purchases totaling \$500 or more are made to your account within 90 days from account opening. ⁶Travel Rewards+ Card: You will earn 1.5 Points for every \$1 in eligible net purchases charged to your Account during each billing cycle. Additional Points for Entertainment and Recreation purchases are dependent on how merchants choose to classify their business. Merchants classified as Entertainment include: most cinemas, theme parks, concert venues, professional sports venues, and qualifying ticket sellers such as Ticketmaster® and StubHub®. Entertainment purchases that may not be eligible include tickets purchased from colleges and universities, associations, schools, and charitable organizations. Merchants classified as Recreation include: sports and recreation facilities that charge membership fees, sporting goods stores, public golf courses, fitness centers, ongoing fitness subscriptions, recreational vehicle parks and campsites, dance studios and schools, and bowling centers. Purchases from third parties and consultants at these locations may not qualify. A purchase will not earn additional Points if the merchant's selected code is in a category that is not eligible for additional Points earning. We do not determine the category codes that merchants choose and reserve the right to determine which purchases qualify for additional Points.
